CONTENT

EFFECT OF AGE AND VITAMIN E WITH SELENIUM ADMINISTRATION ON TESTICULAR WEIGHT, SOME HEMATOLOGICAL AND BIOCHEMICAL PARAMETERS OF NEW ZEALAND WHITE RABBIT BUCKS
F. E. El-Azzazi, M.A. Yaseen, Eman A. Ali and H. A. Khalil

EVALUATION OF PRODUCTIVE AND REPRODUCTIVE PERFORMANCE OF JAPANESE QUAILS IN FLOOR PENS AND CONVENTIONAL CAGES WITH DIFFERENT STOCKING DENSITIES.
T. M. El-Sheikh; N. M. Essa; A. A. A. Abdel-Kareem; and M. A. Elsagheer

THE PHENOTYPIC AND PRODUCTIVE CHARACTERIZATION OF BENHA-LINE CHICKEN UNDER EGYPTIAN CONDITIONS.
M.M. Iraqi, M.H. Khalil, M.M. El_Aattroony

EFFECT OF IN OVO INJECTION WITH L- CARNITINE ON HATCHABILITY AND POSTHATCHING PERFORMANCE OF GROWING DUCKLINGS UNDER SUMMER CONDITIONS IN EGYPT.
A.I.A. Ghonim

EFFECT OF SUPPLEMENTING DOUM (HYPHAENE THEBAICA) TO DIETS ON REPRODUCTIVE AND PRODUCTIVE TRAITS IN RABBITS.
Mervat, N. Ghazal; Safaa, A. Barakat; Ali, W. A. H.; and Rowida, M.

EFFECT OF CONTINUOUS AND INTERMITTENT HIGH AMBIENT TEMPERATURE ON GROWING MALES OF GIMMIZAH AND GOLDEN-MONTAZAH CHICKEN PERFORMANCE.
T. M. El-Sheikh; N. M. Essa; A. A. A. Abdel-Kareem; and M. Hosny

EFFECT OF INCORPORATING RED GINSENG (PANAX GINSENG) ROOT POWDER IN BROILER CHICKENS DIET ON SOME PRODUCTIVE PERFORMANCE AND BIOCHEMICAL PROPERTIES OF BLOOD
A. M. AL Joubouri; and D. Kh. Ibrahim
EFFECT OF USING FULL-FAT SOY-BEAN IN BROILER DIETS ON PERFORMANCE, CARCASS PARTS, MEAT COMPOSITION, BONE TRAITS AND ECONOMIC EFFICIENCY
A I. El-Faham; Nematallah G. M. Ali; and M. A. M. Abdelaziz ................................. 755

COMPARATIVE STUDY OF SOME PRODUCTIVE AND EGG QUALITY TRAITS OF TWO COMMERCIAL LINES OF LAYING HENS
M.Y. Mahrous and Lamiaa M. Radwan ................................................................. 767

EFFECTS OF VITAMINS SUPPLEMENTATIONS ON PRODUCTIVE AND PHYSIOLOGICAL PERFORMANCE OF BROILERS UNDER WATER SALINITY STRESS
Z. S. H. Ismail and H. A. M. Elwan ................................................................. 779

EFFECT OF SALINITY LEVEL AND VITAMINS IN DRINKING WATER ON PRODUCTIVE PERFORMANCE AND SOME BLOOD CONSTITUENTS OF BROILER CHICKS
H.A. Hassan ........................................................................................................... 791

SKELETAL EMBRYONIC DEVELOPMENT AND HATCHING TRAITS AS AFFECTED BY EGGSHELL OSTEOPONTIN PROTEIN DURING TWO STAGES OF EGG LAYING CYCLE
Mona R.M. Ahmed, Wesam A. Fares; R.E. Rizk; and E.A. Abdalla .......................... 805

EFFECT OF L-ARGININE SUPPLEMENTATION ON PRODUCTIVE, REPRODUCTIVE PERFORMANCE, IMMUNE RESPONSE AND GENE EXPRESSION IN TWO LOCAL CHICKEN STRAINS: 2-RESPONSES OF OFFSPRING.
S. F. Youssef; M. I. Badawy and H. A. H. Abd El-Halim ........................................ 825

EFFECT OF SUPPLEMENTING DIET WITH SODIUM BENTONITE AND/OR ORGANIC CHROMIUM ON PRODUCTIVE, PHYSIOLOGICAL PERFORMANCE AND IMMUNE RESPONSE OF MATROUH CHICKENS STRAIN.
1- DURING GROWTH PERIOD.
W. Ezzat; A. E. El-Slamony; A. M. Rizk, I. A. Fathey and M.M. Sabry ......... 841

PRODUCTIVE, PHYSIOLOGICAL AND IMMUNOLOGICAL EFFECT ROSEMARY LEAVES MEAL (ROSEMARINUS OFFICINALIS) SUPPLEMENTING TO BROILER DIET.
Asmaa Sh. ELnaggar; Mervat A. Abdel-Latif; M.I. El-Kelawy and H.S. Abd EL-Hamid ............................................................................................................................... 859
